

## Welcome to the Official Boys of Summer Newsletter!

*Thank You for being such an important part of our  
Boys of Summer family!*

El Dorado Hills Fans

Our new website is up and running and now includes our new Boys of Summer Merchandise Store. We're trying to add as many new items as we can handle, and you can always get them at any of our shows. Just in case you missed out on items at a show, [CLICK HERE](#) to go to the new store.

We love every minute we get to spend with every one of you. On stage and off, it's what keeps us motivated to keep travelin' on! Recently, at our show "Downtown Tuesday Nights Concert" Series in Roseville, CA... We think we met our oldest fan.

Meet Isaac. He's about to turn 103, and believe it or not he got the party started all by himself!! Once they saw 102 year old Isaac doin' the twist to Witchy Woman, it was on. As you can see below in the left corner of the picture the dance area is where Isaac got down.

Thanks Isaac for being our oldest and most energetic fan!

Well, that'll wrap up our first official newsletter. We love seeing all the posts and photos that get posted from concerts all over the US. Please, keep them comin' on to our [Facebook Page](#).

We just got back from our yearly summer Midwest run and we made a great number of new friends that we hope to catch up with soon. Next up is Silos Napa, and then our last show of the Tour right now is Pala Casino in San Diego.

We've also added some dates so keep an eye out for us; we look forward to seeing you at the next show!
